The HIV/AIDS Law Consortium (HALC) is a collaboration of the Legal Aid Society of Northeastern New York and Albany Law School's Clinic and Justice Center. HALC is funded by the AIDS Institute of the New York State Department of Health.

The Legal Aid Society does not discriminate against applicants for services based on race, creed, color, national origin, age, sex, physical or mental disability, political affiliation or belief, sexual orientation, marital or parental status, religion, genetic predisposition or carrier status, military status, or domestic violence victim status. If you believe you have been wrongfully denied services, you may file a grievance. Any Legal Aid staff member can provide you with a copy of the complaint form. It is also posted on the website [www.lasnny.org](http://www.lasnny.org).
